GRAIN-FREE™

BECAUSE WE DON'T USE ANY PRESERVATIVES OR STABILIZERS, YOU CAN FIND OUR BAKED GOODS SOLD FROZEN AT MOST RETAILERS!

Dear Store Manager,

I would like to place a request for Soozy's baked goods to be carried at your store. Soozy's has clean-ingredient baked goods (muffins and donuts) that are made without: gluten, grains, dairy, soy, peanuts, and are Non-GMO Project Verified. All of their products are nutrient-dense, and made without gums, refined sugar, sugar alcohols, stabilizers and preservatives. Most importantly, they are absolutely delicious, and we love them! I frequently shop at our store, and would love to be able to purchase them when I do the rest of my grocery shopping. Please contact hello@soozysgrainfree.com for more information on how to order.
